Villa Sciez

Located in the heart of the prestigious private and secure Domaine de Coudrée, just a few steps from the beaches of Lake Geneva, this superb architect-designed villa, built in 2014 by the builder AXE&D, offers a rare and privileged living environment in one of the most sought-after residential areas in the region. Offering approximately 447 m² of living space, the property is situated on a magnificent enclosed and landscaped plot of 2,406 m², offering peace, privacy and a perfectly maintained green setting. The house also benefited from significant renovation work carried out in 2023 and 2024, allowing it to now offer modern amenities and an excellent level of comfort. The villa impresses from the moment you enter with its generous proportions, abundant natural light, and high-quality finishes. The three reception areas, opening onto the garden and terraces, create an elegant and inviting living space. The contemporary open-plan kitchen,...
